Realization steps:

1. First SITE VISIT
   Meeting with our design team and client to decide the style of project collecting Client's wishes and check measurement for layout

2. First CONCEPT DESIGN
   First design concept proposal with Sketches for main areas and Moodboards

3. Second SITE VISIT
   Second step meeting with client for feedback regarding first design moodboards proposal and finalize design stage

4. FINAL DESIGN PROJECT
   Submission of all sketches and technical drawings for work execution

5. QUOTATION FOR IMPLEMENTATION
   Cost proposal of realization of the project with different options
