Fluxo

Stability roots

design
Luca Casini, 2018

EN — Fluxo uses primary geometric shapes, starting from the section of its stem-like base, to generate a form with clean and minimalist lines. Made in die-cast aluminium, Fluxo has a stable structure and a distinctive personality, with a subtle and elegant design.

IT — Fluxo sviluppa geometrie primarie partendo dalla sezione dello stelo per generare una forma essenziale e minimalista, ma riconoscibile. Realizzato in pressofusione di alluminio, Fluxo ha una struttura resistente e una connotazione decisa, conservandone il tratto discreto ed elegante.

Elliot

Just like a dancer

design
Patrick Jouin, 2018

EN – With its elegant silhouette and minimal design, Elliot table has a strong identity that combines soft lines with sinuous natural forms. The three or four-lobed column in extruded aluminium narrows down and splits open to form three or four feet in die-cast aluminium, which elegantly sit on the floor.

IT – Un tavolo dalla silhouette elegante e dalle forme delicate e slanciate. Elliot ha una forte identità, unendo la morbidezza delle linee alla fluidità delle forme. La colonna in estruso di alluminio di forma trilobata o quadrilobata si separa, assottigliandosi, in tre o quattro piedini in pressofusione di alluminio che appoggiano delicatamente a terra.

Lightness architecture

design
Pio e Tito Toso, 2016

EN — Lunar table speaks the language of lightness and transparency, allowing the architecture of the surrounding environment to emerge. The base is the result of the union of four steel rod trapeziums and it can be combined with tops in different sizes and finishes.

IT — Il tavolo Lunar parla il linguaggio della leggerezza, lasciando spazio al vuoto, all'architettura, all'ambiente nel quale si inserisce. Il basamento nasce dall'unione di quattro trapezi realizzati in tondino d'acciaio e può essere abbinato a ripiani di differenti dimensioni e finiture.

Natural stability

design
Pio e Tito Toso, 2015

EN — The base of a table must have a significant weight to guarantee stability and durability. The result of this simple reasoning is Concrete, an outdoor table with a concrete base that uses the main features of the material in a natural and intelligent way.
