## PRODOTTO

I dati tecnici relativi ai prodotti illustrati nel presente listino sono puramente indicativi come indicativi. L'AZIENDA si riserva la facoltà di apportare tutte le modifiche tecnico-costruttive migliorative del prodotto, senza obbligo di preavviso. La merce potrà tuttavia presentare caratteristiche parzialmente difformi da quelle indicate nel listino e nel catalogo, e comunque non risultare del tutto identica ai campioni che eventualmente fossero stati visionati in occasione della effettuazione dell'ordine, dovendosi riconoscere margini di tolleranza per quanto concerne i colori e le tonalità. La conformità al campione non deve intendersi in senso tassativo. Ciò vale anche per gli elettrodomestici o altri accessori impiegati a corredo delle cucine; questi potranno risultare esteticamente leggermente difformi in base alle marche utilizzate diverse da quelle da catalogo, salvo la sostanziale conformità delle caratteristiche e delle funzioni. Il Cliente potrà richiedere elementi specifici indicandone la marca sempre nell'ambito del ventaglio di offerte dell'AZIENDA non assume alcuna responsabilità circa la tenuta dei supporti che dipendesse da insufficienza della parete a cui venissero applicati gli stessi poiché la verifica dell'idoneità della parete dovrà essere effettuata dal cliente.

## CONSISTENZA FINITURE

Le finiture potrebbero subire nel tempo modificazioni di colore dovute all'esposizione alla luce, al calore, ai vapori e all'invecchiamento. È, pertanto, naturale che in caso di successivi completamenti, si potranno avere delle differenze di tonalità che comunque dovrebbero tendere ad attenuarsi nel tempo. Per i piani in marmo e granito, considerando che il taglio proviene da BLOCCHI NATURALI, non possiamo garantire l'uniformità del colore e della grana. Questi fattori non potranno costituire motivo di contestazione o di resa del prodotto.

## TRASPORTO

La merce non viaggia mai con mezzi dell'AZIENDA e, di conseguenza, nel momento in cui questa viene affidata al vettore, a prescindere da chi lo abbia incaricato, o caricata nel mezzo del cliente tutti i rischi passano al cliente stesso. Il Cliente, anche tramite suoi incaricati, ha l'obbligo di controllare l'integrità della merce all'arrivo ed, eventualmente, fare le dovute contestazioni scritte al Vettore. Qualora il danno rende inutilizzabile la merce è opportuno non ritirarla dandone conto nel Documento di Trasporto, diversamente con l'apposizione della firma da parte del Cliente, senza alcuna contestazione e/o rilievo si attesta la perfetta integrità e conformità della merce.

## INSTALLAZIONE E IMPIEGO

L'AZIENDA declina ogni responsabilità per l'errata o impropria installazione del prodotto fornito (mobili, piani di lavoro, elettrodomestici, impianti elettrici o idraulici ecc.) siano essi di sua fabbricazione o di terzi, sempre che non provveda essa stessa alle predette operazioni. L'acquirente non potrà in nessun caso richiedere il risarcimento dei danni eventualmente causati in occasione dell'installazione. L'AZIENDA si ritiene esonerata da qualsiasi responsabilità circa il funzionamento degli elettrodomestici e degli accessori fabbricati da terzi costruttori, per i quali venga fornito dal predetto fabbricante lo specifico libretto di uso e manutenzione; nel libretto si troverà indicato l'eventuale Ufficio Reclami o i Centri di Assistenza del terzo fabbricante. Per l'impropria e/o inadeguata manutenzione, nonché per l'improprio e/o inadeguato utilizzo dei prodotti venduti, l'AZIENDA rinvia ogni e qualsiasi responsabilità e/o onere al Cliente o all'Utilizzatore.

## RECLAMI ED AZIONI

I vizi e i difetti devono essere denunciati all'AZIENDA nei termini di legge. Anche nel caso di contestazione i pagamenti non potranno essere sospesi. La merce rimarrà di proprietà dell'AZIENDA sino al pagamento totale da parte del committente.

## GARANZIA

La garanzia sui prodotti venduti opererà per il tempo che, di volta in volta, le leggi vigenti nel Paese del Cliente stabiliranno come minimo a favore dell'acquirente.

## RESTITUZIONE DI MERCE

La restituzione delle merci vendute si accetta solo se espressamente autorizzata dalla LUBE INDUSTRIES s.r.l.. Verranno concordate modalità di reintegro e di accredito, solo qualora la restituzione sia dovuta a fatti imputabili alla LUBE INDUSTRIES s.r.l.. La merce restituita dovrà essere consegnata in perfette condizioni e adeguatamente imballata. La merce da sostituire dovrà essere restituita senza ritardo dal commerciante alla fabbricante. Nel caso in cui detta merce sia restituita fino a sei mesi dalla sostituzione la fabbricante accrediterà al commerciante il cento per cento del valore della stessa; tra i sei e i nove mesi sarà accreditato al commerciante il settanta per cento del valore della merce; qualora la restituzione avvenga tra i nove ed i dodici mesi dalla sostituzione sarà accreditato al commerciante il cinquanta per cento del valore della merce; qualora la restituzione non sia compiuta nei dodici mesi non vi sarà accreditato nessun valore della merce sostituita.

## CONTROVERSIE

Per ogni controversia il Foro competente sarà esclusivamente quello di Macerata.

## MARCHIO

Il marchio  è un marchio commerciale registrato, la proprietà dei diritti di utilizzazione economica appartengono esclusivamente a l'AZIENDA o a terzi, pertanto è espressamente vietato l'utilizzo senza il preventivo consenso scritto del proprietario. L'utilizzo del marchio da parte dei clienti ai fini pubblicitari dovrà comunque essere preventivamente autorizzato dall'AZIENDA previa presa visione del materiale prima della pubblicazione. In ogni caso il logo non potrà subire alcuna modifica od alterazione nelle forme e nei colori ne potrà essere associato a prezzi o sconti promozionali.

# GENERAL SALES CONDITIONS

## VALIDITY

This price list replaces and annuls all previous versions.

It does not constitute an offer and may be subject to change following a written notification by COMPANY to the Customer, at any time and without prior notice.

Any modifications or updates shall apply to all orders received by or transmitted to COMPANY following the above-mentioned written notification.

## RETAIL PRICES AND PAYMENT TERMS

The retail prices quoted are exclusive of VAT and the WEEE fee and are ex works.

Upon expiry of the agreed payment term, COMPANY shall be authorised to issue bills of exchange for any outstanding amounts on every item, plus interest, expenses and any other additional liability, prior notification to the Customer. In the event of payment after the agreed term, accrued interest shall be charged in compliance with Italian Legislative Decree no. 231/2002, while any discounts expressly granted in relation to the payment terms shall be recovered.

If payment is not received within the agreed terms, COMPANY shall be entitled to suspend fulfilment of current orders, prior notification to the Customer.

## DELIVERY

The delivery term is calculated in working days and takes effect from the date on which the sales contract is stipulated. In any case, the contract is considered effective within 8 days from order transmission or, at all events, within 8 days from the most recent clarification (if requested) provided by the Customer. The delivery term shall be automatically extended should any events occur that are not imputable to COMPANY or that are due to force majeure. Partial deliveries can always be effected.

## THE PRODUCT

Any technical data relating to the products illustrated in this price list is purely indicative. The COMPANY reserves the right to effect any technical or structural modifications to improve the product, without prior notice. The goods may differ to some extent from the specifications given in the price list and the catalogue, or not be identical in all aspects to the samples viewed at the time of the order, since tolerances in relation to colours and tonalities are inevitable. Conformity with the samples is not obligatory. This right extends to household appliances or other kitchen furniture accessories; the appearance of the latter may differ slightly depending on the brand in question (which may differ from that shown in the catalogue), without prejudice to the basic conformity of features and functions. The Client may request specific components of a given brand from the range of products offered by the COMPANY, which is not liable in any way for the load bearing capacity of supports depending on the characteristics of the walls to which they are mounted; the Client alone is responsible for ensuring that the walls are able to support the load.

## CONSISTENCY OF THE FINISHES

The finishes may be subject to slight changes in colour over time as a result of exposure to light, heat, vapours and ageing. Therefore, in the event of completion orders, there may be shade differences that will tend to diminish over time. Regarding marble and granite worktops, we cannot guarantee uniformity of colour and vein pattern as the worktops are cut from NATURAL BLOCKS. These factors may not provide grounds for claims or return of products.

## TRANSPORT

The goods never travel on vehicles owned by COMPANY; therefore, from the moment the goods are handed over to the forwarder and regardless of who entrusted the latter with the transport or loaded the goods into the customer's vehicle, all risks are transferred to the customer. The Customer - also through persons delegated by the latter - is obliged to check the integrity of the goods upon their arrival, and to notify written claims to the Forwarder. The Customer should not accept any damaged goods that are unsuitable for their intended use, and should notify the relevant claim on the transport document; otherwise, by signing the transport document without adding any claims and/or observations, the Customer certifies the integrity and conformity of the goods.

## INSTALLATION AND USE

The COMPANY is not liable for incorrect or improper installation of the supplied product (units, tops, household appliances, electrical and plumbing systems, etc.), whether manufactured by the company or by third parties, unless the COMPANY itself does the installation. The purchaser may not claim for any damages caused during installation. Moreover, the COMPANY is not liable for the operation of household appliances and accessories manufactured by third parties, for which user and maintenance manuals are provided by the manufacturer in question; the manuals include information regarding the Claims Office or Technical Assistance Centres of the third party manufacturer. As regards improper and/or inadequate maintenance, or any improper and/or inadequate use of the products sold, the COMPANY transfers all liability and/or resulting costs to the Client or User.

## CLAIMS

Any faults or defects must be reported to COMPANY within the terms specified by the law. Payment may not be suspended, even in the event of notification of claims.

The goods shall remain the property of COMPANY unless fully paid by customer.

## WARRANTY

Warranty on sold products in favour of the purchaser shall apply for the minimum duration specified case-by-case by the laws in force in the Customer's country.

## RETURN OF GOODS

Return of sold goods is only accepted if expressly authorised by LUBE INDUSTRIES s.r.l.. Replacement or reimbursement of said goods shall be mutually defined only if the goods return is due to events imputable to LUBE INDUSTRIES s.r.l.. The returned goods must be delivered in perfect conditions and suitably packaged.

The goods to be replaced must be returned from the retailer to the producer without delay. In the case that the goods are returned until six months after replacing the producer will credit the retailer 100% of the replaced goods value; between six and nine months after replacing, the producer will credit the retailer 70% of the replaced goods value; if the return is between nine and twelve months after the replacement, will be credited to the retailer 50% of the replaced goods value; if the refund is not made within twelve months will not be credited any of the replaced goods value.

## EXPENSES

For payments effected through bill of exchange or cash order, all additional collection expenses shall be charged.

## DISPUTES

The Court of Macerata shall have sole jurisdiction for any disputes that may arise.

## EFFECTIVENESS

For the sole fact of conferring the order, the Customer declares to be informed and accepts all the aforementioned sale conditions, unless otherwise expressly agreed on.

## BRAND

The trademark  is registered; the right of the commercial exploitation belongs only to the COMPANY or a third party, and the trademark may not be used without the owner's written consent. The client may only use the trademark for reasons of publicity if authorised in advance by COMPANY, following review of the material before publication.

In any case, the logo may not be modified or altered in form or colour, nor may it be associated with promotional prices or discounts.

## INFORMAZIONI TECNICHE

### TECHNICAL INFORMATION

Le misure indicate nel presente listino sono espresse in cm.

Le profondità delle basi si intendono comprensive di top.

Le profondità dei pensili e delle colonne si intendono comprensive di ante.

Le altezze delle basi e delle colonne si intendono comprensive di zoccolo

Il verso degli elementi è individuato dalla posizione delle cerniere. Fanno eccezione solo l'angolo base e la colonna ad angolo dove il verso viene individuato dalla posizione dell'anta rispetto al mobile.

Per gli elementi con il verso, è stato inserito il codice con entrambi i versi (ad esempio una base da cm 45 cod. E4010451/2).

Sarà quindi necessario specificare se l'ultima cifra dovrà essere "1" per il verso destro cioè E4010451 oppure "2" per il verso sinistro cioè E4010452.

Per i lavelli il verso dx o sx è individuato dalla posizione delle vasche.

I prezzi indicati sono espressi all'unità di euro e sono IVA e contributo RAEE esclusi

I prezzi delle basi e delle colonne sono comprensivi dello zoccolo standard.

Per tutti i mobili fuori misura ha valore il listino riportato nella pagina maggiorazioni fuori misura.

Nel caso vengano richieste maniglie con passo diverso da quello previsto dal modello, le ante verranno fornite senza fori maniglia.

**I colori delle immagini riportate nel presente listino sono solamente indicativi e non possono essere utilizzati come riferimento.**

The measurements appearing in this price list are expressed in cm.

The depths of base units are inclusive of the worktop.

The depths of the wall units and columns are inclusive of the doors.

The heights of the base units and columns are inclusive of the plinth.

The direction of the elements is determined by the position of the hinges. The only exceptions are the corner base unit and corner column, where the direction is determined by the position of the door in relation to the cabinet.

For elements that come with a direction, the code includes both directions (e.g. 45 cm base unit - code E4010451/2).

It is therefore necessary to specify the last figure - "1" for the RH direction, i.e. E4010451, or "2" for the LH direction, i.e. E4010452.

The RH or LH direction of the sinks is determined by the position of the bowls.

The prices indicated are expressed in units of Euro and exclude VAT and the WEEE fee.

Prices of the base units and columns are inclusive of the standard plinth.

The prices that apply to all custom-sized cabinets are indicated on the page "Surcharges for custom-sized elements".

In the event of handles requested with a different centre-to-centre distance compared to the standard for the model, the doors will be supplied without pre-drilled holes for the handles.

**The colours in the pictures appearing in this price list are purely indicative and should not be used as reference.**

# PENSILI RIBALTA CHIUSURA AMMORTIZZATA

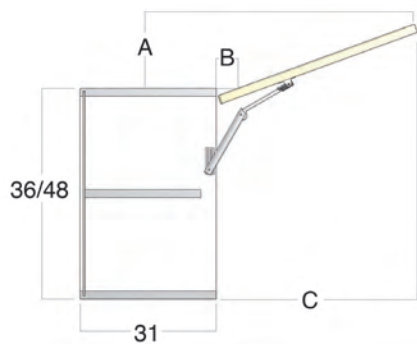

FLAP DOOR WALL UNITS BLUMOTION CLOSING SYSTEM

## PENSILE CON APERTURA A RIBALTA

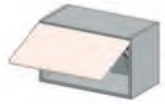

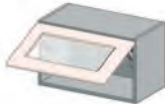

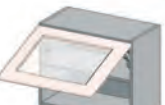

Le ante aprendosi verso l'alto consentono di avere un' ampia visione d'insieme all'interno del mobile. In questo modo è possibile un comodo accesso agli oggetti contenuti al suo interno e, dal punto di vista ergonomico, molto vantaggioso. La regolazione della forza di apertura può essere impostata in modo esatto in base al peso del frontale. Grazie all'arresto progressivo le ante si fermano in qualsiasi posizione; in questo modo la maniglia è sempre facilmente raggiungibile. La chiusura è ammortizzata di serie.

### WALL UNIT WITH FLAP DOOR

The doors that open upwards guarantee ample overall visibility inside the cabinet. In this way, all objects housed inside the cabinet can be comfortably accessed, making the system highly advantageous from an ergonomic perspective. The opening force can be adjusted precisely according to the weight of the front. The doors stop in any position thanks to the gradual stopping movement; in this way, the handle is always easily accessible. The closing movement is cushioned standard

# PENSILI APERTURA VERTICALE OBLIQUA CHIUSURA BLUMOTION

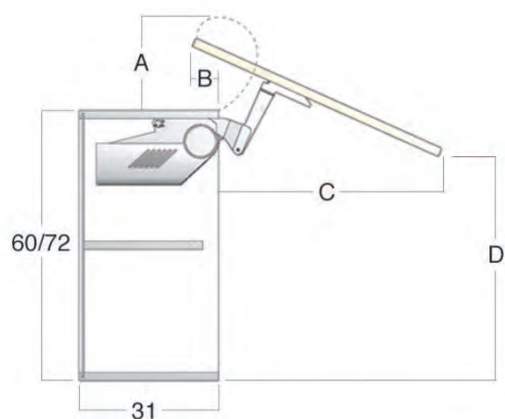

WALL UNITS VERTICAL OBLIQUE OPENING AND BLUMOTION CLOSING SYSTEM

## APERTURA VERTICALE OBLIQUA

I pensili con questo tipo di meccanismo necessitano per l'apertura di poco spazio libero sopra il mobile grazie al movimento basculante dell'anta che si apre senza difficoltà applicando poca forza anche in presenza di frontali pesanti. Con l'arresto progressivo le ante si fermano in qualsiasi posizione; in questo modo la maniglia è sempre facilmente raggiungibile. La chiusura è ammortizzata ed è possibile regolare la forza di tenuta in base al peso del frontale.

### VERTICAL OPENING OBLIQUE

Wall units that mount this type of mechanism require little clearance above the cabinet thanks to the swivelling movement of the door that can be easily opened by applying slight pressure, even with heavy fronts. The doors stop in any position thanks to the gradual stopping movement; in this way, the handle is always easily accessible. The closing movement is cushioned and the closing force can be adjusted according to the weight of the front door.
