Alf Italia: our story...in numbers

1951 is the year when our adventure started.

The 1,000,000 sq ft of production facility gives an idea of the physical size of the company, where family tradition and human values are considered the true company heritage.

Every piece of furniture is created out of decades of experience and the work of a united and motivated team, in a positive and ethical environment.

The quality offered by the alf group is the result of the sense of responsibility felt by each and every worker. thanks to the use of technology and the professionalism of its workers, the alf group guarantees the productivity and flexibility of a modern company, together with the care for processing techniques and customization options that come from its artisan origins. we are present in more than 500 stores in 92 countries worldwide.

100% MADE IN ITALY

HOME CONTEMPORARY

All Alf Group products are designed and manufactured in Italy, to guarantee precise and careful inspections at every stage of production.

Every Alf Group product is proudly made in Italy by a company that brings together creative talents, scupulous production and technological know-how, all in respect of its people and the environment.

These qualities are essential for a company continuously faced with the request of a developed international audience; and all of this must be done at a highly competitive market price given its quality and design.
