

ZED
SPAZIO RAGAZZI

mab

La collezione ZED esprime un nuovo concetto di 'spazio ragazzi' più vicino alle esigenze e ai desideri delle nuove generazioni.

Un sistema di complementi ed elementi ben progettati e di **design** aiutano a trasformare la camera arricchendola di nuove funzioni e **soluzioni d'arredo**.

Un ambiente da vivere ogni giorno, che **cresce** e si adatta nel tempo.

Gli elementi modulari - come librerie, casellari, barre attrezzate - creano una **flessibilità** di contenimento che soddisfa necessità sempre nuove.

Ogni stanza ha una sua storia, che può essere raccontata in maniera originale attraverso l'uso di **colori** pastello, complementi, accessori e **carte da parati** che mixati tra loro danno forma e personalità allo spazio domestico.

L'intera **collezione ZED** è realizzata in Italia con materiali e finiture di **alta qualità**, generando così il miglior ambiente dove far crescere i ragazzi di domani.

Design . **Studio Plazzogna**

The ZED collection expresses a new concept of "kids' space" that is closer to the needs and desires of the new generations.

A system of well-designed and **design** accessories and elements help to transform the room, enriching it with new functions and **furnishing solutions**.

An environment to be experienced every day, that **grows** and adapts over time.

The modular elements - such as bookcases, filing cabinets, equipped bars - create a storage **flexibility** that always satisfies new needs.

Each room has its own story, which can be told in an original way through the use of pastel **colours**, complements, accessories and **wallpapers** that when mixed together give shape and personality to the home space.

The entire **ZED collection** is made in Italy with **high quality** materials and finishes, thus generating the best environment in which to grow the kids of tomorrow.

Mab Home Furniture
Qualità, passione, creatività.
Dal 1962.

Dal 1962 Mab produce mobili per la casa, specializzandosi inizialmente nella produzione di camere dedicate a ragazzi e bambini, per poi ampliare la gamma con l'arredamento della zona notte e della zona giorno, offrendo ai clienti la propria interpretazione di casa contemporanea e di total living.

Mab sperimenta da allora numerosissime soluzioni volte al benessere degli utilizzatori e al massimo sfruttamento dello spazio che, affinate e industrializzate, sono adottate nella sua produzione attuale. Di recente Mab è entrata a far parte di un grande gruppo industriale, potendo affiancare all'attenzione e alla qualità tipica delle produzioni Made in Italy, un'offerta di prodotto altamente concorrenziale e costantemente aggiornata, diffusa sui mercati internazionali.

L'area produttiva di 25.000 m² garantisce elevati standard di prodotto e di servizio, con l'adozione di tecnologie innovative e personale capace continuamente formato.

L'innovazione produttiva, inoltre, ha permesso a Mab di proporre al mercato soluzioni in kit, rinomate per qualità, flessibilità compositiva e facilità di montaggio.

Mab Home Furniture
Quality, passion, creativity.
Since 1962.

Since 1962 Mab has been producing home furniture, initially specialising in the production of rooms dedicated to children and teenagers, and then expanding the range with the furnishing of the sleeping and living areas, offering customers their own interpretation of a contemporary and total living home.

Since then, Mab has been experimenting with many solutions aimed at the well-being of users and at the maximum exploitation of space which, refined and industrialised, are used in its current production. Mab has recently become part of a large industrial group, being able to combine the attention and quality typical of Made in Italy products with a highly competitive and constantly updated product offer, widespread on international markets.

The production area of 25,000 m² guarantees high standards of product and service, with the implementation of innovative technologies and capable personnel that receives ongoing training.

Furthermore, production innovation has allowed Mab to offer kit solutions to the market, renowned for their quality, flexibility of composition and ease of assembly.

TOBY

Boiserie a trapezio / Trapezium wainscoting

La boiserie TOBY è composta da diversi pannelli disponibili in tutte le finiture nobilitate. Possono essere imbottiti e rivestiti in tessuto sfoderabile (*). La forma trapezoidale dei pannelli permette, quando accoppiati, un gioco di forme e colori che crea ritmo e dinamismo alla parete.

The TOBY wainscoting is made up of various panels available in all ennobled finishes. They can be padded and covered in removable fabric (*). The trapezoidal shape of the panels allows, when coupled, a play of shapes and colours that creates rhythm and dynamism on the wall.

DIKE

Barra attrezzata / Equipped bar

DIKE è una barra portatutto a muro che permette l'alloggiamento di diversi accessori: vassoi contenitori in metallo e specchi. Un complemento versatile che può essere collocato in diverse zone della cameretta. La barra può diventare anche un elemento luminoso con l'inserimento di un led perimetrale.

DIKE is a wall-mounted rack where various accessories can be stored: trays, metal containers and mirrors. A versatile complement that can be placed in different areas of the bedroom. The bar can also become a luminous element with the insertion of a LED on its perimeter.

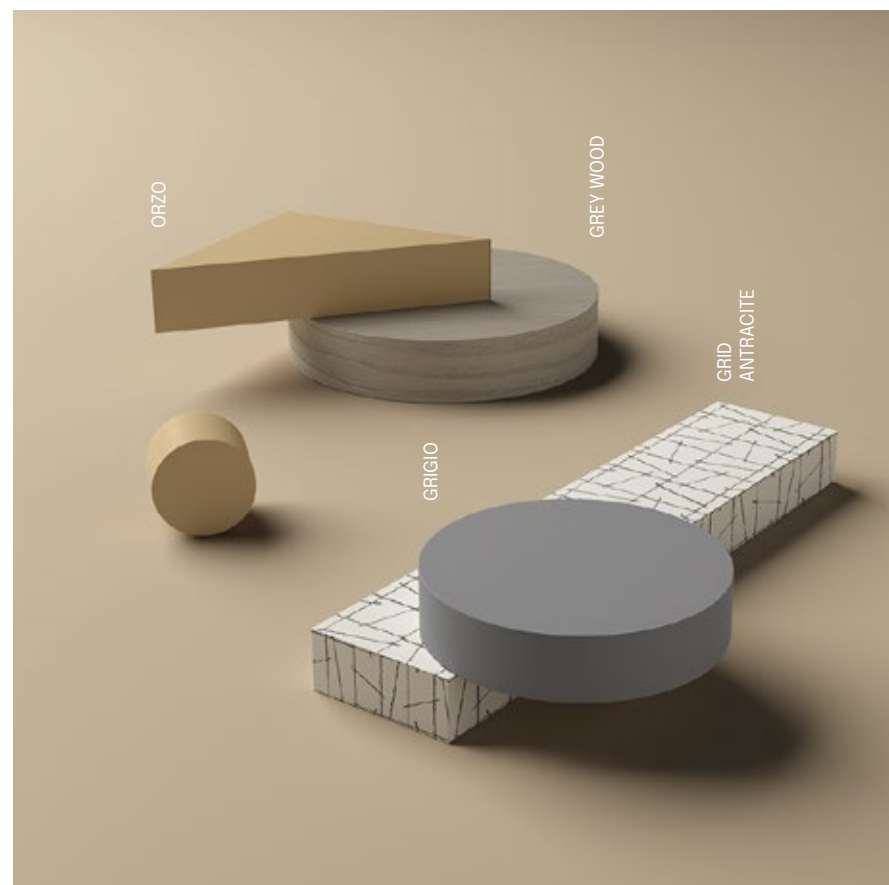

CLIP

Cabina ad elementi / Walk-in wardrobe with elements

La cabina CLIP è composta da vari componenti, di libera collocazione, che permettono di poter disegnare uno spazio cabina nelle varie zone della casa. È possibile inserire elementi pensili portagruccie, mensole portatutto e cassettiere.

The CLIP walk-in wardrobe is made up of various components, which can be freely positioned, which allow to design a walk-in space in the various areas of the house. It is possible to insert hanging elements for hangers, shelves and drawers.

LUK

Casellari a muro / Wall filing cabinets

I casellari a muro LUK sono composti da dei contenitori a giorno che accoppiati tra loro creano un ritmo di partizioni diverse. Le composizioni orizzontali possono essere personalizzate con dei moduli terminali a giorno o con un vano contenitore superiore. L'inserimento di due sagome colorate creano un aspetto giocoso alla composizione.

LUK wall-mounted filing cabinets are made up of open containers which, when coupled together, create a rhythm of different sections. The horizontal compositions can be customised with open end modules or with an upper container compartment. The insertion of two coloured silhouettes create a playful aspect to the composition.

TOBY

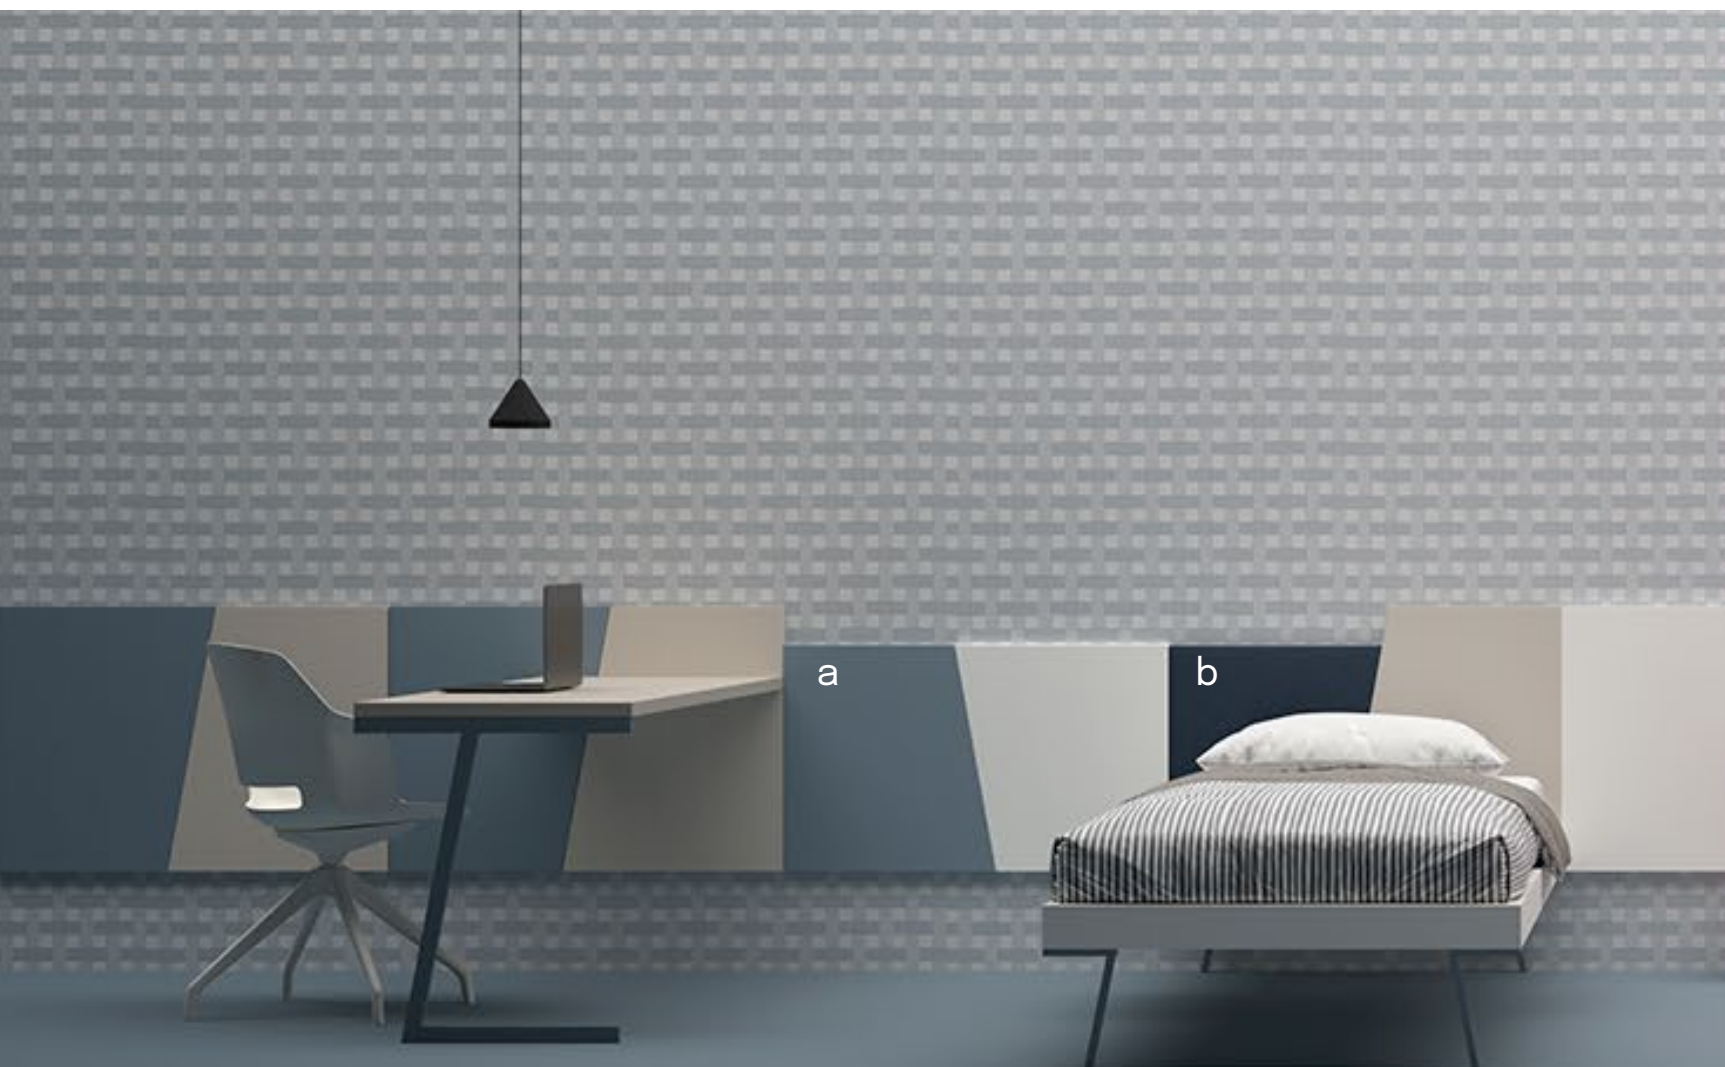

La combinazione tra loro dei pannelli a muro sagomati TOBY permette di sviluppare composizioni dinamiche sia in altezza che in lunghezza. I pannelli sono disponibili anche in tessuto imbottito.

The combination of TOBY shaped wall panels allows to develop dynamic compositions both in height and in length. The panels are also available in padded fabric.

VIO

La boiserie VIO è composta da pannelli quadrati di diverse misure che permettono di sviluppare composizioni lineari e ad angolo. È possibile inserire diversi complementi come cassetti sospesi, comodini vassoio e scrittoio.

The VIO wainscoting is made up of squared panels of different sizes that allow the development of linear and corner compositions. It is possible to insert different accessories such as suspended drawers, trays, bedside tables and desks.
