SANTALUCIA MOBILI

“Cambiamo
il punto di vista,
trasformando
elementi contenitivi
da oggetti marginali
di una stanza
in spazi modulabili
in cui vivere
la nostra quotidianità.”

“We change our point of view of transforming storage elements from marginal objects in a room into modular spaces in which to inhabit our daily lives.”

Abbiamo voluto
recuperare il senso
estetico di materiali che si
credono antichissimi
ma che in effetti furono
nuovi un tempo.
Se la storia è ciclica,
anche l'essere
“contemporaneo” lo
diventa.

—

We wanted to recover the aesthetic sense of materials that are believed to be very old, but which in fact were new in the past. If history is cyclical, even being “contemporary” becomes so.
