IT_

Pratico è sinonimo di funzionalità, semplicità e concretezza. Un modo d'intendere l'arredamento della propria casa che definisce inevitabilmente anche un vero e proprio stile di vita. La nuova collezione Pratico risulta ideale per vestire spazi dalle dimensioni più contenute che però non vogliono rinunciare alla cura ed al fascino del prodotto Santalucia Mobili. Piccoli appartamenti in città e seconde case sono le ambientazioni perfette per Pratico che grazie alle sue linee semplici e armoniose arreda gli spazi con freschezza e sobrietà.

EN_

Pratico is the synonyms of functionality, simplicity and concreteness. A way of understanding the furniture of your dwelling, that also inevitably defines a real and unique lifestyle. The new collection Pratico becomes ideal in addressing more confined spaces without sacrificing the attention and design of Santalucia's products. Small city apartments and secondary homes are the preferable environments for the Pratico design, thanks to the simple and harmonious lines that enrich the environment with sobriety and freshness.
